Dear Friends:

Friends of Residents in Long Term Care is an independent, nonprofit 501(c)(3) organization representing the voice of residents in long term care facilities throughout North Carolina. Our motto is "Quality Care No Matter Where."

We work to improve the quality of life for all individuals who receive long-term care in North Carolina, including residents of nursing homes, adult care homes (assisted living), continuing care retirement communities (CRC's), and home health care.

Through collaboration with residents and their families and by strengthening partnerships with the aging services community, we are working to build a statewide network of education, advocacy and support.

Currently, we:

- Serve as an independent resource for consumers and families
- Provide consumer-focused information about long-term care options and rights
- Help people navigate the complicated system of long-term care services and supports
- Offer seminars and trainings to consumers, providers, advocates and the public
- Build public awareness about long-term care issues
- Answer questions on our Consumer Line at 919-782-1530
- Offer a [Lawyer Referral Service](#) for residents who have suffered abuse or neglect

To support our ongoing work, on October 21st, we will host an evening of entertainment, **SPEAKEASY** for Those Who Need Our Voice featuring Raleigh's own Casablanca orchestra. We are pleased to offer the following sponsorship opportunities to those who want to support our work:
